## Education

### Yale University

Expected 2029

B.A. Computing & the Arts | Certificate in Korean Language

Courses: Interactive Software for People, Graphic Design, Typeface Design, Intro to Computer Science, Intro to Programming, Data Structures & Programming Techniques, Mathematical Tools for Computer Science

## Experience

### YHack

Lead Designer
Dec 2025 — Feb 2026

- Directed end-to-end product design for Yale's flagship hackathon website, shipping the final build in a 5-week sprint
- Designed custom illustrated vector graphics, cohesive design system, wireframes across multiple rounds and a final prototype.
- Drove registrations from 250 to 800 (3.2x growth)

### Student Technology Collaborative

Studios Designer
Jan 2026 — Present

- Designed the brand identity for the Yale Supreme Court Clinic as the sole designer, delivering 10+ logo concepts across 5 rounds of client feedback
- Create branding, wireframes, and prototypes for YaleClubs, serving over 1,300 total organizations.

## Leadership & Community

### Figma

Campus Leader
Sep 2026 — Present

- Selected for Figma's inaugural Campus Leader cohort, working directly with the Figma team to grow the design community at Yale
- Drive Figma Education account sign-ups and mentor student designers, sharing resources to build a lasting campus design community

### World Studios Yale

Design Director
Sep 2025 — Present

- Collaborated in a 4-person team to define design system, branding, and interactive experience of Yale Africa Startup Review.
- Designed flyers, stickers, tri-fold for community events. Leading the 26-27 year rebrand with a motion-forward style

### Design at Yale

Co-Head of Studios
Sep 2025 — Present

- Designed 20+ profile card variations for Yalies, improving privacy controls and profile-editing flows
- Designed 2 major user flows for Web0nd, producing 40+ screens across a payment and subscription system and a custom b0nding-moment feature

### Yale Computer Society

Director of Design
May 2025 — Present

- Designed sponsorship package and Bazaar collateral to pitch corporate partners and grow membership.
- Developing a club merchandise line to build brand presence and community
